

The EU Proposal for Regulating AI in Europe

28 April 2021 – 6-7 pm CEST
on Zoom & YouTube

On April 21, 2021, the European Commission presented its long-awaited proposal for regulating AI in Europe. It would be the first ever legal framework on AI. The proposal addresses the risks of AI and positions Europe to play a leading role globally. In our webinar we will discuss the proposal with experts.
